

## Shipping & Delivery Policy

Last updated: 1-Jun-2022

Please carefully review our Shipping & Delivery Policy when purchasing our products. This policy will apply to any order you place with us.

We offer various shipping options. In some cases a third-party supplier may be managing our inventory and will be responsible for shipping your products.

The options and shipping costs will be specified during the checkout process.

If you select an expedited shipping option, we will follow up after you have placed the order with any additional shipping information.

All times and dates given for delivery of the products are given in good faith but are estimates only.

For EU and UK consumers: This does not affect your statutory rights. Unless specifically noted, estimated delivery times reflect the earliest available delivery. For more information please refer to our Terms.

### International Deliveries

We deliver internationally, but please note, we may be subject to various rules and restrictions in relation to some international deliveries and you may be subject to additional taxes and duties over which we have no control. If such cases apply, you are responsible for complying with the laws applicable to the country where you live and will be responsible for any such additional costs or taxes.

If delivery is delayed for any reason we will let you know as soon as possible and will advise you of a revised estimated date for delivery. For EU and UK consumers: This does not affect your statutory rights. For more information please refer to our Terms.
